MURDER AT JULIETTE.

MR. BARFIELD AND MR. TURNER,
WELL KNOWN MERCHANTS,
MURDERED IN COLD BLOOD
BY THIEVES LAST
NIGHT.

Between 8 and 9 o'clock this morning Sheriff Hodge received a telegram from Juliette stating that Messrs. Barfield and Turner, the well known merchants of that place, had both been murdered some time during last night and the store robbed.

These two gentlemen kept the only general store in the place and slept in a back room. They have been in the habit of opening at any hour of the night to people from the phosphate mines.

It is supposed the robbers were admitted on a pretense of buying goods and then murdered the two proprietors and plundered the store. They were found about 7:30 this morning, both dead, lying in the store-room, with evidences of a terrible struggle. The murderers made good their escape but the officers are on the trail. Sheriff Hodge left for there at noon today and will do his utmost to apprehend the murderers.

McConnell's Bond.

This morning an interesting and important document was received by acting clerk H. L. Crane, of the United States district court. It is somewhat long and ponderous and recites in due form that R. B. McConnell, the indicted Ocala banker, obligates himself in the sum of \$10,000 to appear at the next regular term of the court in Tampa, to be held in Tampa in February, 1898, to answer and plead to the indictments against him. The sureties are Oliver G. Finch, of Ocala, who qualifies for \$5,000, Samuel W. Teague, of Lady Lake, in the sum of \$2,000, John D. Baker, of Jacksonville, for \$1,000, N. B. Broward, of Jacksonville, for \$2,000. This makes up the total of \$10,000.—Tampa Herald.

A Small Fire.

Fire was discovered in one of the vacant Hood cottages in the first ward at 8 o'clock last night and an alarm turned in. The truck and hose wagons were soon on a dead run up Ocklawaha to the fire, which was soon extinguished, having only burned through the floor and a little on the wall of one room and the hall. Leaves had been heaped under the house and set to fire by some one with criminal intent.

The streets were very dark and the boys narrowly averted several collisions, and on the return did run into John Vereen's buggy, smashing one wheel. The firemen are at a great disadvantage without any light to guide them.

Fake Journalism.

City Treasurer D. S. Moody, when interviewed yesterday in regard to a statement in yesterday's Times-Union about organizing a colony to emigrate to Mexico, declared that no such idea ever entered his head and that the statement has no foundation whatever. J. A. Rowell was also interviewed in regard to a statement in the same paper that told of his emigrating to Honduras where he will make his future home. He said it was a fake from beginning to end and cannot conceive why anyone should stick such a thing in the paper. He is not going to Honduras and never had any notion of going.

The Closing Performance.

P. of Caraway, hypnotist and mind reader closed his engagement here last night at the opera house, with a good audience present. After some very remarkable demonstrations of his power as a mind-reader, the professor gave some side splitting exhibitions with his subjects in hypnotism. The breaking of the stone was again tried also and successfully too, only that no one could be found strong enough to break the rock on the suspended body of sleeping Asa Gaskill. Space forbids us telling of the wonderful feats performed by the Prof. The audience pronounced the feats marvelous. After his 24 hours sleep Ione Farris was brought on the stage and awakened at the specified time with no seeming evil effects from his trance. The company left to day for Gainesville for a three nights stand.

A Grand Entertainment.

The M. E. church was crowded last night with a highly delighted audience to witness the wonderful exhibition of original gold, pearl and crystal paintings by Arthur L. Butt. No entertainment has ever been given in this city that afforded as much pleasure, profit and instruction. The scenes exhibited last night were "Beautiful Stories of the Old Bible," and no pen can describe the brilliancy, beauty and perfection of these grand old paintings.

The exhibition tonight will be "The Black Valley Scenes." This will be the last performance in this city and no one who has not been there should miss the opportunity. The admission is only 10 cents.

Something to Depend On.

Mr. James Jones, of the drug firm of Jones & son, Cowden, Ill., in speaking of Dr. King's New Discovery, says that last winter his wife was attacked with lagrippe, and her case grew so serious that physicians at Cowden and Pana could do nothing for her. It seemed to develop into hast' consumption. Having Dr. King's New Discovery in store, and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from the first dose, and half dozen dollar bottles cured her sound and well. Dr. King's New Discovery for consumption, coughs and colds is guaranteed to do this good work. Try it. Free trial bottles at F. C. Alworth & Co's., drug store.
